How to play:

Step 1: Get your friend to choose from the numbers 1-4 on the outside, e.g. 2 = Cabbage

Step 2: open the game opposite ways so that it matches the number your friend has chosen, e.g. 2 = open one way for 1, open the other way for 2.

Step 3: Leaving the game open, get your friend to choose another number from the inside, e.g. 4 = Cheesecake.

Step 4: Repeat Step 2 using the new chosen number.

Step 5: Leaving the game open, get your friend to choose another number from the ones they can see, e.g. 3 = milk.

Step 6: open the flap to see when your friend will eat their funny food, e.g. breakfast.

Step 7: Now join the information in order from all 3 stages to see what your friend's funny food meal will be, e.g. Cabbage & Cheesecake milk for breakfast.
